

Mohican Fly Fishers of Ohio

Membership Application (Annual dues adult \$25, family \$40, student \$10)

***Mission:** Mohican Fly Fishers of Ohio (MFFO) is a unique active-member fly-fishing club. We are an inclusive organization promoting the sport of fly fishing through the education of our members and community. We support the conservation and preservation of our watershed. We achieve these goals through monthly meeting programs, regular communications, community engagement, and extracurricular events such as river cleanup, macroinvertebrate sampling, habitat improvement, fly tying, casting lessons, and on-the-water skill development. Members enhance the club through active participation in meetings, committees, and various club activities. In return, active members receive club benefits including information describing fishing access on the Upper Clear Fork.*

Today's Date: _____

We would like to add your name, phone number, address, and email address to a confidential directory. Blind emails are sent to members to protect your privacy.

Bring completed membership application and dues to the next meeting and collect your hang tag and maps:

**American Legion (upstairs)
77 Bell St
Bellville, OH 44813**

Do you approve? Yes No
